U.O. to Lab. Deptt. No. 1223 dated the 2nd February 1949.

Legal Department.

The definition of "residential Hotel" is taken from the English Act. It will be absurd to interpret it in the sense suggested by the writer of the letter at page 1 ante. The words "and includes a club" do not appear in the definition in the English Act but the definition read as a whole could be interpre[illegible] as referring to residential clubs and therefore no difficulty is likely to be felt. As suggested by Secretary, Labour Deptt. the definition may be amended whenever amending the Act by [illegible] "residential club" for "club" to remove all doubts.
